Credit Union Donates to YMCA

South Carolina Federal contributes to capital campaign

June 11, 2007 (N. CHARLESTON, S.C.) – South Carolina Federal Credit Union has contributed to the Georgetown YMCA's capital campaign.

South Carolina Federal employees on May 25 celebrated the credit union's \$25,000 pledge to the building project with a check presentation to Y executives and staff.

"The credit union is pleased to support construction of this new facility that will help the Georgetown community stay one step ahead of its health and wellness needs," said Thetyka Husser, community relations coordinator at South Carolina Federal.

The YMCA expects a ground breaking to take place at the end of 2007, according to a Y representative.
